BREWERY OF THE MONTH

STANNARY BREWERY - TAVISTOCK

Stannary Brewing Co. is an independent brewery, run by lifelong friends Mark Stephens, Chris John & Garry White.

Like all the best ideas, Stannary Brewing Company started as a crazy conversation in a pub. The craft beer revolution was just taking off in the UK but getting hold of craft beers in our local pubs was a tough job, so we thought why not open our own brewery and make the full flavoured beers we loved to drink.

SPIRIT OF THE MONTH

GREEN SPOT IRISH WHISKEY - CO.CORK

The Green Spot name originated from the Mitchell family's practice of marking casks of different ages with a daub of coloured paint. Originally there was a 'Blue Spot', 'Red Spot' and even a 'Yellow Spot', but the Green Spot emerged as their most popular whiskey and is one of the few "whiskey bonder brands" to survive modern day.

Nose: Fresh aromatic oils and spices with orchard fruits and barley on a background of toasted wood

Taste: Full spicy body. A hint of cloves along with the fruity sweetness of green apples rounded off with toasted oak

Finish: Lingering flavours of spices and barley
